1.4.9. The Organizer reserves the right to cancel the educational events or change the dates.

1.5. Ways of informing the Participants:

The Terms and Conditions, Project timeframes and results will be published on the Project's Website: [quiz.atomforyou.com](http://quiz.atomforyou.com), including all language versions (hereinafter referred to as the "Website").

1.6. Initial contact with the Participants and/or with their parents/legal representatives, which includes verification of data and identity documents, shall only take place from the Project's email address: [info@atomforyou.com](mailto:info@atomforyou.com).

## **2. Eligibility**

2.1. The Participants of the competition within the Project may be individuals who are at least 11 years old on the Project date, in accordance with target audience categories defined in these Terms and Conditions. All other participants can take part in the Project, but will not be considered for the competition.

2.2. The Participants under the age of 18, who, due to the current legislation, cannot act independently under these Terms and Conditions, shall do so through their parents (or legal representatives) and/or with their assistance.

2.2.1. It is the responsibility of the minor Participants to inform their parents (legal representatives) of these Terms and Conditions, to obtain the necessary consents from their parents (legal representatives), including the consent to participate in the Project.

2.3. The following individuals shall be excluded from the competition within the Project:

- employees of the Organizer; individuals representing the Organizer; their family members;
- third parties' employees and representatives, who have a contractual relationship with the Organizer and are associated with the Project, as well as their family members.

2.4. The Project Participants have the right to receive information about the Project, in accordance with these Terms and Conditions;

2.5. The Project Participants shall have the following responsibilities:

- comply with the Terms and Conditions while participating in the Project;
- provide the Organizer with correct and truthful information in accordance with the Terms and Conditions;
- other responsibilities determined by these Terms and Conditions.

## **3. General Description and Project Participation Procedure. Project Winners Selection.**

3.1. The winners of the Project are those Participants, who, in accordance with the Terms and Conditions, will be eligible to receive a Prize from the Organizer.

3.1.1. The Organizer will arrange participation of the winners in the educational trips, in accordance with clause 4 of these Terms and Conditions. Participation in the educational trips is not intended to generate income for the Participants, being an educational initiative intended to educate Participants about the Russian nuclear industry and technologies.

3.2. In order to participate in the Project, an applicant, who wishes to become a Project Participant and meets the requirements of clauses 2.1. and 2.2. of the Terms and Conditions shall register on the Website.

- 3.2.1. Registration on the Website requires the applicants to provide the following information:
- First and last names;
  - Date of birth;
  - Contact information (valid mobile phone number and e-mail address);
  - The Participants who are young professionals in nuclear industry between 18 and 34 years old should additionally indicate their job title and place of work;
  - Consent to participate in the Project and to the processing of personal data;
  - Consent from a parent/legal representative to participate in the Project and consent from a parent/legal representative to the processing of personal data for minor Participants.
- 3.2.2. Applicants, who provided incorrect and/or incomplete information upon registration, will not become Project Participants or will subsequently be excluded at any stage of the Project, when the Organizer becomes aware of the violation. In order to verify information provided by the Participants in the registration form, the Organizer shall be entitled to request (by e-mail) a copy of the Participant's passport or other identity documents. If the requested documents are not submitted within more than two (2) days from the request date, the Organizer may exclude such applicant from the participants list.
- 3.2.3. The Organizer reserves the right to deny participation in the Project to those applicants whose registration forms have not been properly completed (if incomplete or incorrect information has been entered). Once registered, the Participant cannot change the mobile phone number and e-mail address entered when registering on the Website.
- 3.2.4. Only one entry to the competition will be accepted per Participant.
- 3.3. Participants who are eligible for the Prize (participation in educational trips) will be determined by the following requirements:
- 3.3.1. The first requirement: Participants shall complete the quiz dedicated to nuclear physics and the latest technologies in nuclear industry.
- 3.3.1.1. The Quiz takes place online at [quiz.atomforyou.com](http://quiz.atomforyou.com).
  - 3.3.1.2. The Quiz consists of 15 questions of varying difficulty about nuclear technologies, to which the Participant shall answer by choosing the correct answer from those offered by the computer.
  - 3.3.1.3. The questions are divided into two categories according to the Participant's age:
    - Youth category for participants between 11-16 years old.
    - Adults category for participants aged 17 years and over.
  - 3.3.1.4. A Participant can answer the quiz questions only once.
  - 3.3.1.5. There is no time limit for answering the questions.
  - 3.3.1.6. The Participant may proceed to the next question by answering the previous one.
  - 3.3.1.7. When the Quiz ends, an automatic Participants' ranking is generated based on the number of correct answers; the more correct answers a Participant has, the higher is his/her position in the Participants' ranking.
  - 3.3.1.8. If two or more Participants score the same number of correct answers, they are ranked the same way when the automatic ranking is generated.
- 3.3.2. The second requirement: selection of the Project winners.
- 3.3.2.1. The Organizer shall, not later than two (2) days after the deadline specified in clause 1.4.2. of the Terms and Conditions, create a preliminary list of the Participants who have scored the maximum number of correct answers.
- 3.3.2.2. The Organizer will contact the Participants from the preliminary list via email to verify their eligibility and personal information provided in the registration form. The Organizer

shall request a scan copy of the Participant's passport or other identity document, copies of the Participant's consent forms or consent forms of the Participant's parent/legal representative to participate in the Project, to process personal data and participate in the educational trip.

3.3.2.3. If, within two (2) calendar days of the request date, the Organizer has not received the documents and/or the Organizer has any sufficient reason to believe that the Participant has provided deceitful information (including, but not limited to, if the phone number or email does not match those provided at registration; the Participant has misrepresented his/her age; registered under a false name) – such applicant will be excluded from the preliminary list and will lose the right to receive the Prize.

3.3.2.4. Entry in the preliminary list does not automatically make the Participant a winner.

3.3.2.5. The winners in each Prize category will be selected from the preliminary list by a random selection carried out by a third-party computer application by 26 November 2021.

3.3.2.6. After the winners have been selected, the Organizer publishes the results on the Website by indicating the names of all winners. The winners will also be notified by email. If the winner does not reply to the Organizer within fourteen (14) days of the notification e-mail, the winner's Prize will be cancelled and the Organizer will be entitled to select another winner in accordance with the procedure described above.
